Our Alumni Our Pride

Presently she is a Sr. State Specialist (Maternal and New Born Health Care) UP Technical Support Unit.

On May 07, 2022, she virtually interacted with the Hallites and shared memories of her 'good old school days at AHGRS' and idolized her alma mater for helping her to achieve what she is today.

During her interaction she emphasised the role and importance of school and teachers for a better tomorrow.

May Day Celebration

To pay respect to all those who make lives easier at Ashok Hall, May Day was celebrated on May 1, 2022.

The event started with a very graceful welcome dance followed by games for all the Bhaiyajis and Didijis. The event was made livelier with a skit presentation which made the audience laugh their hearts out and a very heart touching song.

The event was then concluded with a medley performance where the students of class XII danced on songs from the 90s which took the spectators back to the evergreen old days.

The Hallites were successful in bringing a huge smile on the faces of all the people whose services are indispensable.

Emotions through Rhymes

Poetry is when an emotion has found its thought and the thought has found words.

A student who is a Hallite, not to forget, is also a great expressor of words. This is something that Ashok Hall builds in the blood of a hallite. Elocution is the rhythm of lines spoken with expressions. Veer Ras, given as theme for the elocution, filled the spectators with enthusiastic spirit for the nation and marked the day for us to remember our freedom fighters.

The third place was bagged by Nishika Chauhan from Green House, the second place was taken by Anusha Dubey from Yellow House and the first place was a tie between Anvesha Dubey and Shivangi Bisht, both from Red House.
